## Section B: Federal Electronics Challenge Pledge

Our facility supports having the Federal Government lead by example in environmentally sound, energy efficient, and cost effective management of its electronic assets. We pledge to participate in the Federal Electronics Challenge (FEC) as a Facility Partner and understand that we can annually apply to receive recognition at the bronze, silver, or gold award level. We recognize that the ultimate goal of the challenge is to improve the management of electronic assets during all three life-cycle phases—acquisition and procurement, operation and maintenance, and end-of-life management.
