PURPOSE

Facility Partners progress through a series of simple steps to participate in the FEC. The attached flowchart outlines this process for new and existing Facility Partners.

FLOWCHART OF PARTNER PARTICIPATION

Instructions for New Facility Partners

- Complete Step 1 (Registration) at any time.
- Complete Step 2 (Baseline) within six weeks of completing Step 1.
- Continuously work on Step 3 (Implementation), following completion of Step 2.
- Complete Steps 4 (Annual reporting) and 5 (Award application) by January 31 of each year.
 - Facility Partners that join after September 30 each year do not need to submit an Annual Reporting Form for the fiscal year prior to them joining. Facility Partners that join after September 30 are also not eligible for an Award recognizing activities for the fiscal year prior to them joining.
 - New Facility Partners should try to report data for the entire fiscal year when completing the Annual Reporting Form, even if they were not partners for the entire fiscal year.
 - New Facility Partners may use activities completed within fiscal year, including those completed prior to partnership, for their Award application.
